February 7, 2007

S. 262

Morley Nelson Snake River Birds of Prey National Conservation Area Act

*As ordered reported by the Senate Committee on Energy and Natural Resources
on January 31, 2007*

S. 262 would rename the Snake River Birds of Prey National Conservation Area in Idaho as the Morley Nelson Snake River Birds of Prey National Conservation Area. Based on information from the Department of the Interior, CBO estimates that S. 262 would have no significant impact on federal costs. Enacting the bill would not affect direct spending or revenues.

S. 262 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would have no significant impact on the budgets of state, local, or tribal governments.

The CBO staff contact for this estimate is Deborah Reis. This estimate was approved by Peter H. Fontaine, Deputy Assistant Director for Budget Analysis.
